Joint Membership Offering

Rock Harbor Golf Course and The Stonebrook Club have joined forces to offer golf, tennis, swim and fitness memberships. These two independent facilities have combined their resources and energies to provide competitive full familial recreational packages.

Select any membership package that suits your needs. Between Rock Harbor's uniquely designed 36 hole golf courses and the accessibility and proximity of Stonebrook's courts, pool and fitness facility, your membership lets you enjoy both worlds via one membership fee structure. The simplicity of this package offering also comes with a discount to ease any financial burden of belonging to two separate entities.

As a member of Rock Harbor you already enjoy the fruits of what we have and now allow us to share with you that which Stonebrook offers. A full service fitness center, including various pieces of cardio equipment, a complete Nautilus & free weight training area as well as fitness / training programs; 5 outdoor tennis courts (2 clay courts), 4 indoor tennis courts; 4 air-conditioned racquetball courts; a Junior Olympic size pool (available in summer) with designated lap lanes, two diving boards as well as a kiddie wading pool for children 5 years and younger.

Stop by the Proshop for details of this great partnership. Sign-up; join the very growing consciousness of outdoor / indoor fitness and recreation.

The transformation from a single yellow flag in the dirt to the heart green you see today is quite dramatic. This has become one of Rock Harbors signature holes and part of our logo.....

From The Ground Up

Bobby Jenkins: Course Superintendent:

We are still busy on the maintenance side of the course, edging bunkers, trimming branches, spraying the new Boulder fairways. We are doing our last mowing for the year on the roughs and fairways.

The maintenance crew is planning to fertilize the fairways, spray the greens and tees for snow mold protection. Its been a great year for the course, we have controlled the deadly diseases and made it through the 2 months of drought.

I hope everyone has a
Merry Christmas and a Happy New Year.
