

Rock Harbor News

October 2014

RESSURECTION

With this printing we are reviving the Rock Harbor News. This edition will keep you informed on the goings on at the club and serve as a medium to help you to get to know your fellow members as well as the staff of Rock Harbor Golf Courses.

Included herein is a calendar for the month of any activity for the course(s). We hope you enjoy this informative medium and please write us with any feedback, questions or suggestions to be included in future issues.

LADIES & GENTLEMEN! MEMBERS OF ALL AGES!

{That's kind of a play on the old Barnum & Bailey Big Top Intro – in case you didn't know. }

This issue is an attempt to revive the member newsletter. With the promise to include information surrounding the club and course throughout the year. We will place notices here, as well as included in your monthly billing statement and we hope to also have this copied on our website. We are holding this redundancy so we do not miss anyone, no matter the source. We will provide course usage information that shows member events and any fundraising; captain's choice (scramble); tournaments referred to as 'Public Outings.' This term had been used throughout the year of 2013 and generated queries as to what that exactly meant. You may have seen this term displayed at the Proshop area of the clubhouse. These monthly notices will continue to be prominently displayed in addition to the updated calendar of events accompanying the newsletter. We will also attempt to revive a section of the newsletter which highlights an individual member – kinda sorta of like a media social (*haha get it?*)

FIRST AREA SHOULD BE A SECTION WHERE NEW INFORMATION IS DISSEMINATED

Say for example that a change in management of the club had taken place recently; newly crowned tournament champion(s) and the like.

FRESH FROM THE GRILL Include in this section; notices to any changes in the menus, offering any specials, times that the grill be may closed or whether tournament outings may otherwise tie up the day, whatever. Be informative to the membership and be supportive of the membership.

FROM THE GROUND UP A section dedicated to news or goings on with the course by way of maintenance. Inform the membership as to the plans of the maintenance department relative to the care of the course that might in anyway shape or form affect the playability or perceived playability.

GOLF COURSE CALENDAR FOR THE MONTH

Listing all events scheduled for the course – Not necessarily the Name of the Public Outing but need to define what a public outing is. Including any and all larger groups expected as members know that play may be a little slower than usual and schedule themselves otherwise, also any High School activities – whether practice or matches.

MEMBER CORNER

A feedback area of the newsletter to use as a venue by which any member can voice an opinion that may have a positive affect toward the betterment and or growth of the club. Constructive critiques are always welcome. Negatives, just to be negative serves no purpose. Like letters to the editor kind of thing. You may begin submitting those right away. Send feedback to Gerri: mgr.proshop@rockharborgolf.com

NOTES FROM THE G

Well, we’ve had quite a season, haven’t we? A few major upsets to the proverbial apple cart as it were. First, I’d like to extend a very sincere thank you to all the well wishes. I will most certainly attempt to perform to the kind of standards you all have come to expect from yours truly. Within a few weeks of the changes, Mr. Perry and I have been working closely to prepare the Pro Shop via various merchants with new apparel. We are also re-tooling the logo for the course. We haven’t really decided on a specific icon, yet we have created, with the assistance of a very talented member, Jerry Baker, some name fonts that will be making appearances on some of the “new” apparel within the shop. We hope to do business with names like, Antigua, Nike, Greg Norman, Under Armour as well as the accounts already in place e.g, Adidas, Ahead, Cutter & Buck and Footjoy. We hope that you will like the newer line-up and that you would spread the word. The Boulder course is nearing completion. We anticipate the course to be ready for play by summer of 2015. Let’s hope for a kind winter so as to allow the seed and sod to grow and flourish in the spring and make itself ready for the barrage of players to occupy its virgin soil. During the off-season months, we will continue with the socials in order to promote the general comradery our members. By also, including a section within this publication to introduce folks, these socials should be fruitful. I have said on previous occasions that we want to develop a club where; “... everybody knows your name, and their always glad you came. You want to be where you can see, our troubles are all the same, you want to be where everybody knows your name...” We’ll see you at the club.
