

# Rock Harbor News

## *Request for Pictures*

We are trying to create a picture wall for each hole on The Boulder and Rock Course to display in our Pro Shop and Grill area.

If anyone has pictures they would like for us to consider, please email them to Misty at [mistyautumn@comcast.net](mailto:mistyautumn@comcast.net)  
Please also include your permission for Rock Harbor to use the photo(s).

To see all the pictures from the Members Christmas Party please go to our Facebook page and view the video.

Pictures from our Christmas photo booth are something you don't want to miss!
