Thank you to our Pro Shop staff, Colin Kosubinsky, whom I will miss terribly when he leaves us this month. He received his pilot's license and is heading off to a wonderful career flying helicopters for the United States Army and we wish him all the best in life! Thanks also to Katrina and Katie for keeping up with almost 80 thousand + rounds this year! Good job! We also wish Andrew Carbary, who was part of our cart staff for years the best of luck as he starts college next year! We miss him!

A big shout out to Misty Perry for publishing our monthly newsletter, keeping our website up to date and for being our Facebook LIVE camera woman each week. Thank you!

To all of the behind the scenes staff at Stuart M Perry who work hard each week to keep us functioning well, Steve Miller, our Accountant and Jamie, Birdie Cantrell in HR, Stacey Frye and Shirley...my heart is full of gratitude! And huge thanks to Dave Burleson, the head of the Lab over there, but has been my go to IT guy in an emergency!! Awesome job! Forgive me if I have inadvertently left anyone out.

You members are the lifeblood of the club and nothing makes me happier than to see all of our Rock Harbor family participating in tournaments, leagues and member socials and to witness the comradery and sportsman-like behavior is a joy to behold! Your competitive spirit, desire for game improvement and the benefits to everyone's overall health and wellbeing is powerful!

Our club has grown, and with that we have had many a growing pain! Thank you for your flexibility! The Ladies Tuesday evening Par Tee League participants have more than doubled! The Ladies Invitational this year was the biggest ever!

We had many new members play in the Tuesday morning Senior League and join us on Thursday evening for the fun and very social 9 Hole League. We have seen a vast increase in play in the Saturday and Sunday morning Men's League as well. Thank you all!

I will be updating all of the Hall of Fame plaques, so if you won a great distinction in 2019 or 2020, please send me an email. I feel like that will be easier than pouring through the past newsletters and Golf Genius, (however I will do that anyway to double check I have not missed anyone). I will be working on this project as I recuperate from foot surgery on

December 2nd. I will be out of the office a large majority of the days in December, partly recuperating and partly for my annual vacation I have yet to take] spending time with my little Christmas Angels...Sophie Tate, Sawyer Jaxson, Campbell George (grandbabies) and my children! I will constantly be responding to my email however, so don't hesitate to reach out if you need me.

Don't forget our Christmas Open House on December 9th from 11am until 7pm. Beau will have delectable appetizers and treats throughout the day,Continued on page 4 of Insert

we will have some live piano music from our member Dennis Donaldson, and lots of door prizes and huge discounts on all merchandise in the Pro Shop! Time to spend those Denny Dollars! Sign up in person or by calling the grill, we can only have 25 people gathered at a time to keep everyone safe. The reservation slots are in 2 hour increments. Please wear your masks when not eating or drinking. I hope to see you all there for this very fun and festive annual party!

All of you make this golf club so special, you all are so energized and engaging, and I truly appreciate the fact that you have chosen Rock Harbor as your golf course. We are diverse in age, race and beliefs. We are Americans and we are strong! My hope for Christmas is that we all heal, and find a way to protect and care for all humans in this country and around the world. Stay safe and healthy, and my best wishes to you and yours for a happy and relaxing, cozy holiday season. See you next year, it's going to be GREAT!

Love,
Amy

2020 Members Holiday Open House December 9th, 11-7

This year our Annual Members Holiday gathering will look a little different. Due to COVID restrictions we can not have our normal gathering with all the members all together. We are very sad and hope you understand.

We will have an Open House Style Celebration throughout the day. Please call the Pro Shop or Grill to sign up for a 2 hour window.

Make it fun! Call your friends! Plan to arrive at the same time window!

There will still be food, live music, door prizes and discounts in the Pro Shop.

Please make sure you call the Pro Shop to reserve your spot!
