VOLUME 17 ISSUE 1

JANUARY 2021

Amy's Anecdotes

Amy Adams: General Manager:

Happy New Year to all of you!

Since we did not publish a January newsletter, I send you and your families all best wishes for a HEALTHY, happy 2021. We are still as a nation struggling with the global pandemic, so please remember to wear a mask, social distance, and wash those hands. Unfortunately, we have had to cancel our January and February Member Socials, we do not feel they would be successful nor safe at present. We ARE hosting the March Member Socials, as these are packed full of vital information regarding Harbor Cup Championships and how to accumulate points, March Play format and the rules, Leagues and league rules. If you have a Winter Social calendar hand-out, please toss it as I will be announcing new dates. We will have to hold several sessions throughout the later part of March to get as many members "trained" as we can!

Speaking of members, we have many new members so if you see someone you do not recognize, reach out with an elbow bump and introduce yourself!

I am ecstatic to be back to work after working from home for the last five weeks after my foot surgery, so I want to take a moment to acknowledge Taylor Jones, our Head Golf Professional, for holding down the fort and doing an outstanding job, along with Katrina and Megan. We have a great team here at Rock Harbor and I am incredibly grateful.

Speaking of staff, I am ready to recruit some Pro Shop staff for the 2021 season. The ideal candidate would know a great deal about the game of golf, be computer literate and have an outgoing personality with the ability to handle some stressful situations! We also need Rangers, so spread the word!

We are getting new Spring merchandise from Greg Norman, Foot Joy, Callaway, Taylor Made, Mizuno, Cleveland and much more. We have great new rain gear for those April showers as well! Stop by the Pro Shop and check out the beautiful line up today! If you see something online from a vendor we are associated with, we can

Fresh From The Grill

*Beau Rudiger,
RH Grill Manager:*

It is looking like winter is finally showing up, hopefully it won't be here long. I wanted to remind everyone that our February socials have been cancelled.

We will resume the socials in March and hopefully good weather also. We still have a few time slots open for the Valentine's dinner but they are filling up quickly so don't wait. We will probably do "to go dinners" on Saturday the February 13th but the times will be limited and most likely earlier than the dinner service. The Valentines Brunch will be on Sunday 2/14 hopefully we will have a great turn out.

We are still having issues with our food companies on depleted inventories and pricing so we may be out of a few food items from time to time. Hopefully this will be improving with

more companies getting back into production.

We will be changing the menu slightly and adding a "burger of the month" which will highlight our burgers with different toppings.

Super Bowl Sunday we will be running our wing special along with the pizza and wing special normally done on Sunday's. So order early.

.....Continued from page 1.....

special order items for you, your business or for an upcoming outing or tournament.

I want to personally thank you for choosing to be members here at Rock Harbor. I realize there are other golf clubs to choose from, but it is you, our members that make Rock Harbor the fantastic club that it is!

Think warm thoughts, I have my countdown clock to Easter already on my computer!

The Green

Chris Dieter, Course Superintendent:

“Time flies when you’re having fun”, I believe is the saying. I do not know if it was a fun year, it did have its challenges and looking back it seems to have flown by. Like playing golf sometimes you have to play it as it lies. (Picture: Play it as it lies, Rock #15 Blow) This year I was glad to be in Virginia for golf, being able to remain open, keeping staff working, letting people get some fresh air and exercise was a blessing. Trying to follow health department and CDC guidelines became the challenge with changes every week. I would like to thank all of the Rock Harbor Staff for their efforts. They did an excellent job.

How about our new carts, new bunkers (picture below right), new green (Rock 12), new Assistant Superintendent (picture page 4), new walls, new trees, lots of wild life and plenty of golfers. (more pictures on Page 3 of the Insert)

Here is to a GREAT New Year

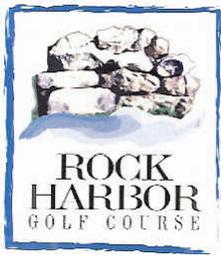

Thanks for all your kind words this past year.
As always, I look forward to being your Superintendent.

I wonder how long the golfer looked for this ball on Rock #15?

Our new Assistant Superintendent, Joe, reaches deep into a hole to fix the irrigation system behind #10 Boulder green.

Up Coming Events at Rock Harbor All Member Socials are TBA

The gallery gathers to follow the final holes of last year's Member/Guest.
