APRIL 2021

## Amy's Anecdotes

*Amy Adams: General Manager:*

A joyous Easter greeting to all! Easter brings us hope and may it linger in our hearts throughout the year!

We sadly must say goodbye to our Head Golf Professional, Taylor Jones. He and his wife have decided to move to South Carolina. He has taken a job at Wyboo Plantation in Manning and we wish them well. I am grateful to have had Taylor's help these last nine months. He was a joy to have around, and I learned much from the knowledge and experience he imparted.

I have hired a new Head Golf Professional, Christian "Chris" Lewis, who comes to us from Bull Run Golf Club in Manassas. He resides in Inwood, West Virginia so it is a wee bit closer for his daily commute.

Chris is a Class A PGA Professional since 2002 and has won the President's Council Award. He has a great deal of experience. He has served as Director of Golf and Director of Instruction, Property Leader with the Virginia Golf Center and an Assistant GM at Bull Run and Head Golf Professional for many years. His expertise is in tournament operations, club fitting, lessons, merchandising, retail management and staff development. His resume and references are impressive, he starts April 19<sup>th</sup> and I am thrilled to welcome him aboard!

# Fresh From The Grill

Beau Rudiger,  
RH Grill Manager:

Well, we are crossing into spring and the opening of golf season. We have the leagues starting up and hopefully some outside grilling weather.

We are updating the menu, getting the food trailer ready for the season (Caddy Shack) and of course getting the garden ready. Please remember we will be adjusting the Grill's hours as the day's get longer so keep an eye out for those emails. Thursday night wing night will start when the Thurs-

day night league starts in the first part of May. We will continue to do Friday night also.

As with spring we will be getting busier in the grill so members please check your charges for the day and close your check before leaving the course for the day. This will help you have an accurate charge account at the end of the month.

We have a credit card reader coming for the Caddy Shack but it may be a few weeks before we receive it. With the grill getting busier please use our

emails to order food as much as possible on our specialty nights. We will also be doing a burger of the month starting in April and rolling out a Greek salad with Capicola ham. So we are trying to mix things up a little and will be adding a few more appetizers on a trial basis.

Let's have a good April and hope the weather cooperates.

outdoors in the pavilion. Bundle up in case it becomes chilly.

We have Mizuno representative coming on April 20<sup>th</sup> for a Fitting Day and demonstrating all this line has to offer. The slots will be available from 9am to 1pm so be sure to get your name on the list for a free fitting!

On April 28<sup>th</sup>, Mary Leahy with Callaway will be our special guest at our Member Social and Sand and Suds. She will be selling some golf balls and demonstrating the new and exciting equipment Callaway has to offer. It is always such a treat to have Mary join us!

I humbly ask for your patience while I train a new team. It will be challenging but I am confident we will be successful. This is such a wonderful place to spend time, I can barely call it work, and I thank you all for choosing to be members here at Rock Harbor. Folks have been asking when it is time to pay membership dues and that is by June 1<sup>st</sup>. If there is anything I can do to make your golf and club experience more enjoyable, please feel free to contact me. My door is always open!

*May love and laughter light your days, and warm your heart and home. May good and faithful friends be yours, wherever you may roam. May peace and plenty bless your world with joy that long endures. May all life's passing seasons bring the best to you and yours! Happy Spring!*

# The Green

*Chris Dieter, Course Superintendent:*

I have enjoyed seeing quite a few golfers out enjoying the course this past month. The last weekend of March the course really greened up. We are starting to mow greens on a more regular basis. Fairway and rough mowers

started up as of the day I was writing this article.

I wish mother nature would decide if our golf attire is going to be shorts or winter coats. But as it warms up keep a watch across the golf course for the new trees to start blooming. We planted many flowering trees this past fall. (pictures below of new trees)

I am going to keep it short this month.

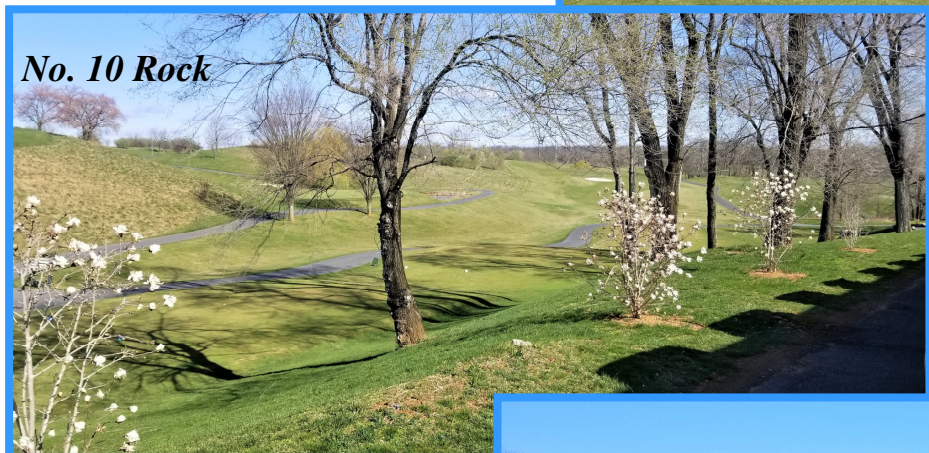

Again thank you to everyone for the kind words during my recovery.
