

A photograph of a skeleton sitting on a large, light-colored rock face. The skeleton is positioned in the lower center of the frame, sitting on a ledge. The rock face is composed of large, irregular blocks of light gray and tan stone. Above the rock face, there is a dense area of green and reddish-brown foliage. Three text boxes are overlaid on the image: an orange box at the top left, a yellow box at the top right, and a red box on the left side.

Say "Hallo" to one of our oldest members, Dave!

He finally got out of the bunker!

See if you can find him on our course, though he may have a bone, or several, to pick with you.

The background is a festive Halloween-themed illustration. At the top, there's a decorative border with orange and yellow autumn leaves and black spiral patterns. A black, gnarled tree branch extends from the left, holding two black jack-o'-lanterns with glowing red eyes and jagged mouths. To the right, a large, glowing orange jack-o'-lantern with a wide, toothy grin is visible. The central text is in a stylized, outlined font. At the bottom left, there's another glowing orange jack-o'-lantern. At the bottom right, a black silhouette of a cat with glowing red eyes sits on a small patch of ground with autumn leaves. The entire scene is set against a light gray background with subtle diagonal hatching.

Hissing
you a safe
and Happy
Halloween!
